

Celebrate Halloween with some Virtual Programs for Kids

Talewise presents:

“The Mummy at Mystery Mansion” available as a video link

Talewise programs combine storytelling and science in a way that keeps you thinking and laughing. In this animated story, two kids unravel a mystery at a haunted house, and learn some amazing science concepts along the way. You can watch this program as many times as you want, it's available from now until August 2021.

Animal Embassy Zoom presentation:

“Not So Spooky Anymore”

Saturday October 24 at 11:00 AM

In this unusual program, Naturalist Chris Evers will introduce some misunderstood animals, and explain why we shouldn't be afraid of them.
